Country music superstar Barbara Mandrell brings her spectacular new stage production to the Flamingo Hilton.

Barbara Mandrell

The superstar makes her Laughlin debut with a brand-new stage production

Legendary country music superstar Barbara Mandrell has always been an artist to embrace new challenges, and her new non-stop stage production, "Favorite Things," is no exception.

Country and popular music fans can catch the femme extraordinaire when she makes her Laughlin debut at the Flamingo Hilton April 13. The show begins at 8 p.m. and tickets start at $27. Phone 1-800-435-8469 for tickets.

Musically, "Favorite Things" promises to be the best production Mandrell has ever put together, complete with a gamut of musical styles including country, gospel, big band, and jazz. The show features her favorite and most popular hits including "I Was Country When Country Wasn't Cool," "Tonight My Baby's Comin' Home," and "Wish You Were Here."

Also appearing with Mandrell is her musical ensemble the Do-Rites - featuring two new members.

"This is the first time I hired people, two guys as singers first and dancers second," said Mandrell. "The Do-Rites are doing more than they've ever done."

Mandrell's talent extends far beyond the stage, she recently starred in her own TNN televised concert special, "Steppin' Out," and she also appeared on "The Statler Brothers Christmas Special," "The 70th Anniversary of the Grand Ole Opry" with Reba McEntire and CBS' "Touched By An Angel."

Mandrell's unmatched talent and hard work have earned her the title of the first artist ever to win two successive Country Music Association (CMA) Awards for "Entertainer of the Year," as well as being honored twice with the CMA Award for "Female Vocalist of the Year," a Grammy for the inspirational song "He Set My Life to Music," and a Peoples' Choice Award for being a living legend.

Mandrell is a religious person who continues to incorporate her previous triumphs, embracing new career challenges and never loses sight of what she wants. When asked how she manages to do it all she simply replies, "It's my total resolve for self-improvement."

Don't miss the Laughlin debut of the legendary Barbara Mandrell at the Flamingo Hilton April 13. Phone 1-800-435-8469 for ticket reservations.

Tiny Tim, who will headline Jukebox Giants through April, is one of many rock n' roll icons who've made Jukebox Giants the number one show on the Laughlin strip. Joey Molland, former frontman of the legendary British group Badfinger, will be performing in "Giants" for the second time when he hits the stage. Badfinger was the first outside group to record under the Apple label - which was started by The Beatles in the late '60s. Their musical sound is unmistakable. Songs like "Come and Get It," "Day After Day," and "No Matter What," took the British supergroup to the top of the charts and sold millions of records. The Boxtops had the number one hit of 1967 with "The Letter." Throughout the late '60s and early '70s, The Boxtops reigned as one of the top American bands with hits like "Cry Like A Baby," "I Shall be Released," "People Gonna Talk," "Neon Rainbow," and "Let Me Go." The British Invasion Band provides backup music and vocals for all performances in Jukebox Giants. Accomplished musicians, Weissman, Leon and company start off the show with a sampling of their version of the British Invasion. Tickets are $9.95. NEWS & EVENTS

Entertainment in Laughlin revolves mainly around activities on the river and in the town's booming resorts. Laughlin River Days are the time when Laughlin is bursting with special events, but there's usually something special to enjoy during other times of the year as well. In the casinos, hopeful patrons are drawn to the many exciting tournaments and special promotions by the promise of big winnings and a chance to demonstrate prize-winning gaming skills.

TWENTY THOUSAND BIKERS CONVERGE ON LAUGHLIN

Dazzling chrome. Amazingly intricate custom paint. The squeak of well-oiled leather and the one-of-a-kind howl of American rolling iron. All this and more awaits the 20,000 to 30,000 people expected to roll into Laughlin this April 19-21 during the 14th Annual Laughlin River Run. The run offers visitors a chance to test-ride 30 different 1996-model Harley Davidson motorcycles, see precision drill teams and the Harley Davidson traveling museum, participate in a parade of bikes in the annual Poker Run and vie for a chance to win a brand-new hog! Not to mention the throngs of scantily-clad women, roadmaps of tattoos and miles of leather gear, the traditional fare not to be missed by many a Harley enthusiast. "It's the West Coast's largest ride-in bike show. Three days of fun, sun, custom paint and chrome," said Joe O'Day, event coordinator for DalCon Promotions, the company formed in the mid '80s exclusively to produce the multitude of activities involved in Laughlin's largest single event. "If you're into people watching and motorcycles, this is the place to be," O'Day said. "There will be people from all walks of life and from all around the globe. U.S. Senators, doctors, lawyers, accountants, casino management executives right on down to the everyday blue-collar worker. We got 'em all and they're coming from all over the U.S., Europe and Canada. No such gathering would be complete without a custom bike show, featuring shining examples of custom Harley Davidson motorcycles and $5,000 in prizes going to the best bike on the lot. All this and the beautiful Colorado River, nine major resorts, nearly 12,000 hotel rooms, over 500,000 square feet of big-time casino action and big-name entertainment - Steppenwolf, Joe Diffie, Commander Cody and his Lost Airmen and Creedence Clearwater Revisited, featuring some original members of CCR. For more information about the 14th Annual Laughlin River Run, phone 1-800-357-8223.

SIGHTS

Grab your camera and put on your floral-Hawaiian shirts folks; it's time to play tourist. You could spend all your time in the casinos, if that's what you want, but if you're looking to visit some historic sights and beautiful places then it's time to hit the road and spend some time checking out the surrounding area. There's a great deal of history out there waiting to be discovered and relived. As well, you'll find some of the most beautiful desert scenery in Nevada and Arizona. Most of the following locations are located just outside your hotel door.

DAVIS DAM AND POWER PLANT

Just up river from Laughlin, in fact if you peek around the corner you can see it, is Davis Dam. Named in honor of Bureau of Reclamation Chief Arthur Powell Davis, the $67 million earth-and-rock-filled embankment creates Lake Mojave and was completed in 1953. The dam is 200 feet high and was built to help prevent flash flooding. A small five-turbine power plant is attached to the dam, and free, self-guided tours are available from 9 a.m.-4 p.m. The tour begins at the dam's main office and gives you an "inside" look at the workings of the power plant.

THE BONELLI HOUSE

This is a chance to step back in history and see how the early settlers of this desert country lived. The home was originally built in 1915 by the Bonelli family and is an excellent example of the architecture popular at the time. Purchased by Bullhead City in 1973, it has been restored and furnished with period furniture. The home is located at 430 Spring St. in Kingman, AZ; free guided tours available 1 p.m.-5 p.m. Thursday-Monday. 602-753-1413.

OATMAN GHOST TOWN

Located on the famous Route 66, this Old West ghost town is full of historic buildings and old-time mining works dating back to the late 1800's. The breathtaking scenery here has been the main reason for movie makers to choose the area to make such films as "How the West Was Won" and "Foxfire." Wild burros still roam the streets that are now lined with souvenir shops, restaurants, the old jail, and museums. Don't miss the twice daily shootouts on main street or the Oatman Hotel where movie stars Carole Lombard and Clark Gable spent their wedding night. Located 30 miles southeast of Bullhead City. Take 95 south to Route 66, then east.

GRAND CANYON

It's a little more of a drive but certainly worth the time if you've never been to the Grand Canyon. Carved by the mighty Colorado River, the breathtaking canyon is considered one of the great wonders of the world. It's over a mile deep and nearly 280 miles long. You can find various tours in and around the canyon including a mule ride down to the bottom. Or you may want to take a ride on the Grand Canyon Railway which runs from Williams, Arizona to the canyon's south rim. It's a nostalgic trip on a 1901 steam engine. For Grand Canyon info, phone 602-638-2401. For rail information, phone 1-800-THE-TRAIN.

GRAND CANYON CAVERNS

If the Mitchell Caverns weren't enough to satisfy your need to go underground, try the Grand Canyon Caverns located between Kingman and Seligman, Arizona on historic Route 66. Complete with a motel, restaurant, RV dump station, campsite and the most selenite crystals in northern Arizona. The trail through the cave is paved, well lit and always a cool 56 degrees inside. For additional information, phone 602-422-3223.

GRAPEVINE CANYON AND INDIAN PETROGLYPHS

America's first graffiti artists were the Indians who roamed the deserts in search of food and water. They told stories and left messages through cave and cliff drawings. Grapevine Canyon features a year-round stream and sheer cliff walls. Follow the signs off Highway 163 to Christmas Tree Pass and look for the parking area. A short, well-marked trail leads you back into the canyon.

LAKE HAVASU

This extensive man-made lake is 45 miles long and offers all the water sports and sights you can imagine. There's plenty to explore by foot, boat or car, from ancient Indian villages and deserted mines to hidden coves and long-abandoned ghost towns. For more information, contact Lake Havasu City Chamber of Commerce-602-855-4115.

LONDON BRIDGE

The bridge made famous in the children's nursery rhyme isn't falling down. Although in the early 1970's, it was taken apart and reassembled in Arizona. London Bridge, which once spanned the Thames River, now connects the Arizona mainland to an island in the middle of Lake Havasu. A charming English village is located on the mainland side of the bridge and features all kinds of shops, restaurants and amusement rides. Admission is free.

MITCHELL CAVERNS

If you're a real spelunker (you are if you know what it means), there are some great limestone caves located at Mitchell Caverns-60 miles west of Needles off I-40. Daily public tours are offered year-round by park rangers. Admission is $3

RIVERSIDE CINEMA SIX-PLEX AT THE RIVERSIDE

Inside Don Laughlin's Riverside Resort is a six-screen movie theater showing block-buster first-run movies. Tickets for shows starting before noon weekdays are $3. Tickets for shows starting after 12 noon and all day on weekends and holidays are $5 for adults; $4 for senior citizens and kids 12 and under. For information call (702) 298-2535 Ext. 640.

COLORADO RIVER MUSEUM

The Colorado River Museum is located on the Arizona side of the Colorado River 1/4 mile north of the Laughlin Bridge at the edge of Davis Camp on Highway 95. Featured inside the Museum are many artifacts, pictures and documents pertaining to the history of the area. Some of the many exhibits include Fort Mohave, trapper and explorer Jebediah Smith and mining exhibits. Two recent additions to the Museum are a new Wedding Chapel and an intricate model train display constructed by the Tri-State Model Railway Society. The Museum is open from 9:30 a.m.-2:30 p.m., closed Mondays & Sundays.

GOLDEN NUGGET-LAUGHLIN

Follow the curved walkway through the rain forest atrium featuring 500 tropical flora from around the world and two cascading waterfalls. Experience a singing showcase of audio-animated tropical birds-the Birds in the Gilded Cage. Bearing the brilliant plumage of the jungle, the five birds sport costumes that complement their distinctive personalities. They sing--the group contains sopranos, a contralto, bass and tenor.

RAMADA EXPRESS OLD NO. 7

Welcome aboard Laughlin's only working railroad. Resplendent in polished brass and handsome Victorian lines, Old No. 7 circles the 27-acre property taking passengers on a three-quarter-mile trip from the hotel-casino's parking area to its front doors and back again. While the engine is a replica, the trappings surrounding it--signals, crossing and track--are all authentic railroad equipment. Old No. 7 made its inaugural run in April 1988 as Ramada Express casino officials, dignitaries and guests celebrated the driving of the final spike into the 3-foot gauge track that surrounds the 27-acre property. The cost of this nostalgic journey, according to the train timetable at Casino Station, is one smile.

THE MOHAVE MUSEUM

Located in Kingman, Arizona, this outstanding museum features permanent displays on the history of the Southwest as well as traveling art and educational exhibits. Evening lectures are frequently held with visiting speakers and educators from Northern Arizona University. Phone 602-753-3195 for additional information.

CHLORIDE

One of the Southwest's best kept historic mining towns is located just 46 miles northeast of Laughlin. Turn off U.S. 93 at Grasshopper Junction (near milestone marker 53) and then four miles east to visit this 1860's silver mining town. Giant rock murals by noted Western Artist Roy Purcell are featured and old-fashioned melodramas are performed every first and third Sat. at 10:30 a.m. & 2:30 p.m.

NIPTON, CALIFORNIA

Nipton, California is a unique little desert mining town that has maintained the flavor of the 1900's, located in the Mojave National Preserve. From Laughlin, take Hwy. 95 northbound to Searchlight - 40 miles; go west on Hwy. 164 - 21 miles to Nipton. Phone (619) 856-2335.

WINNERS

It's no surprise that gaming giant Las Vegas has passed its legacy of big winnings on to Laughlin. Because of the variety of tournaments offered by local resorts, visitors can pick their chances of winning and the size of their prizes. Several winners have hit considerable jackpots in the past five months. Two $25,000 winners hit at Gold River Resort within 24-hours of each other. One hit after depositing two coins. The other won after investing just one dollar in the special 25¢ bank of reel machines. A winner at the Flamingo-Hilton-Laughlin celebrated after winning $530,734 while playing Quartermania.

COLORADO BELLE

An investment of about $15 in quarters was worth more than a quarter million dollars to an Oklahoma woman visiting the Colorado Belle Hotel/Casino. Martha Beam of McCurtain, Oklahoma, chose the Quarters Deluxe progressive machine because it was close to the main entrance; where she and her sister were waiting for the rest of their group to begin their trip home after a four-day vacation. Beam explained that she and her husband Jim are regular Colorado Belle guests.

RAMADA EXPRESS

Thomas Leon Helms, of Arcadia, California, recently had a very profitable trip to the Ramada Express. He walked away from the resort $16,000 richer after hitting the jackpot on a $5 reel slot machine.

COLORADO BELLE

A Paramount, California man picked up $15,000 after racking up the most points in the Colorado Belle Hotel/Casino's recent Spring Break Tournament. James McGil (right) took the first-place prize of $15,000 in the tournament. Congratulating him is Slot Director Hal Welch.

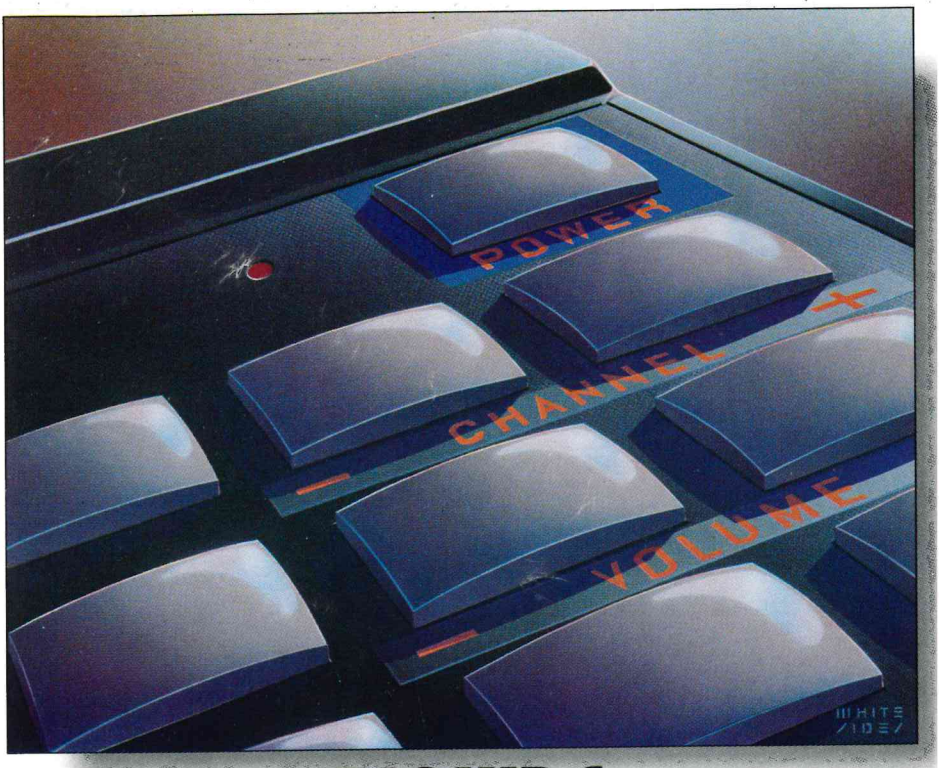

RIVERSIDE RESORT

A very happy Carl Laird, of Topeka, Kansas, shows his enormous cash prize of $13,442 after he drew a 2-6 straight flush in clubs while playing Caribbean Stud Poker recently at Don Laughlin's Riverside Resort. By placing a single dollar side bet at the start of the game, Carl was qualified to receive a series of bonus payouts, which in Carl's case was 10% of $130,000.

RIVERSIDE RESORT

James Andrade, of Aptos, California, beams with pride after winning $1,600 while playing a $1 slot machine at Don Laughlin's Riverside Resort Hotel and Casino.
